

George Saldana is a licensed journeyman Electrician and has been doing work for the family business since he was 8 years old! He loves powerlifting, cooking and spending time on the lake or beach with family. Currently he is the lead safety advisor for Mister Sparky San Antonio and is in the process of getting his master license. Specializing in residential troubleshooting, lighting designs, whole electrical systems surge protection, main electrical system upgrades, etc. There has never been an issue he cant resolve. He chose Mister Sparky because of its potential of being San Antonio's leading electrical company in service and repairs; Mister Sparky is a leader in putting customer service at the forefront of the organization. George is consistently putting customers needs above all else and is always available for them as well as his team mates. He is inspired by self-development, knowledge, and providing for his family. George strives to be a role model to others; as well as always being the best version of himself possible.

“I'm not afraid of what tomorrow shall bring, fore I have survived yesterday and truly am blessed with the life I was given today.” -Unknown
