

Krissy Tucker is a Customer Service Representative at Mister Sparky. Prior she worked in a local school district guiding children with disabilities for 5 years. Afterwards, her love for children encouraged her to run her own home-based daycare for another 5 years. Her favorite activities include spending quality time with family! Krissy chose Mister Sparky because she really enjoyed the idea of working with a company with family values and believes that she will bring positivity and sparkles that her fellow employees and customers can appreciate. Her biggest inspiration is her daughter Kaylee and husband George; everything she does is with them in mind. Another inspiration of hers is knowing that everything Krissy does is to take care of someone else or make them happy, rather its Kaylee, her husband, customer, friend or stranger.

“In a world where you can be anything, be kind!”
-Kid President
