

Ray Gutierrez is a Licensed Journeyman with 9 years in the field. He adores spending time with his wife and children and watching sport events on his free time. Ray chose Mister Sparky for the life changing opportunities that the company offers not only to him but also his loved ones and customers. He reflects those values into each service call with ease. Rays greatest inspiration is his family; they are his treasure.

“A dream doesn’t become reality through magic; it takes sweat, determination and hard work.”
