

Ryan Wright is a licensed electrician who graduated from IEC San Antonio and has 5 years' experience in the trade. He loves to play indoor soccer, salt water fish, hunt and host backyard barbeques! Prior to becoming a journeyman, he was a master carpenter for 12 years, working alongside with his father; they built a successful carpentry company in local San Antonio. Subsequently, he had a change of heart, Ryan wanted to give back to his community and became a technician. Currently he is putting 100% of his work at Mister Sparky by providing first class service with integrity just like the company's values. To simply put, Ryan is inspired by his wife and children. They are his motivation and thanks god for them every day.
